€220,000

📍 Agios Nicolaos, Limassol

2-Bedroom Upper House with Roof Garden – Prime Central Limassol Location

This upper-floor 2-bedroom house, built in the mid-1980s, offers strong potential for renovation and investment in one of Limassol's most central areas. The property was renovated internally in 2005, with the exterior of the building renovated in 2022. While the house now requires updating, it presents an excellent opportunity to add value.
